Apostolic Service-Hours Essay

Directions: Reflect on your past service hours over the last year or two; think about what you did and why you did it. In no less than 500 words, explain what you learned from completing your service hours. Consider the following: Why are service hours required? What did you learn about serving others? What services did you provide? How did your services reflect the Spiritual Works of Mercy and Corporal Works of Mercy? Be specific; explain what you did, for example, that helped you live-out feeding the hungry, sheltering the homeless, give drink to the thirsty. How might you have counseled the doubtful or comforted the sorrowful? Remember – don't just list what you did for service hours; explain why you did what you did relating back to the Corporal and Spiritual Works of Mercy.
