

# RELIGIOUS EDUCATION at CHURCH OF THE INCARNATION ~PREP~

## YOUR CHILD'S SAFETY IS OUR TOP PRIORITY

Our first priority is the safety of your child. All our staff, catechists, and volunteers must have a complete background check, be fingerprinted, and complete Virtus training before working with any of our students.

## RCIT/RCIC – SACRAMENT PREPARATION

If your child needs to receive the sacraments, but missed the opportunity to attend PREP, we offer an RCIT/RCIC program.

## CHILDREN WITH DISABILITIES PROGRAM

Any child who is unable to be mainstreamed into a regular education setting is most welcome. All of our children are important to us and we do not want to see anyone left out.

Classes for children with disabilities meet every other Sunday during the 9:30 Mass.

## SUMMER PROGRAM

We offer a week-long intensive Summer program for grades 1-8. Grades 1, 3, 4, 5, and 6 meet from 8 AM - 11:30 AM Monday - Friday. Grades 2, 7, and 8 meet from 8 AM - 2 PM. Classes begin in July.

Incarnation's Parish Religious Education Program (PREP) is a continuing journey of faith for school age children. In this program, young parishioners experience the rich traditions of our Catholic faith. One of our main objectives is to teach the students the basic principles of the Catholic faith.

We strive to pass on doctrine and Catholic traditions, build community, and prepare the students for the lives and ministry that their baptism declares. We hope to motivate all students and their families to a life of faithfulness and action.

Supported by faith-filled parents, dedicated volunteer catechists, as well as our religious sisters, priests, and deacons, our children enjoy learning and growing to appreciate the gifts of their Catholic faith.

One must do all one can do for everybody, expecting no return save from God only.

## Volunteers

Volunteers are always needed as catechists, substitutes, hall monitors, office assistants and classroom aides. Background checks, finger printing, and Virtus training required.

## Classes

During our regular academic year, PREP classes have 2 components: 1) Face-to-face classroom sessions meeting every other week and 2) Online assignments. The face-to-face classes are held either on Tuesdays or Wednesdays. Parents can select from 2 different class times on either day: 4:15-5:30 PM or 5:45-7:00 PM.
